### Music Collection for Sale

Glenn Thompson is getting rid of his extensive collection of music suitable for a theatre organist. It consists of more than 100 collectable sheet music selections, book collections and single arrangements, many by such as Dick Leibert, Ashley Miller and Jesse Crawford, to name a few. Also included are THEATRE ORGAN issues from 1982 thru present and several associated books or reprints. All is open for inspection. It must be sold as a complete collection--not individual selections. The asking price is \$500.00, that representing a fraction of collecting (and using) since college days. Anyone serious about playing programs would find the variety and scope as quite valuable.

We have made arrangements with the Masonic Village in Elizabethtown, to perform for their residents on Wednesday, August 13 at 7 PM in their Health Center auditorium. They have a nice Allen 3/11 theatre organ. **Organists are needed.** Please let me know if you would like to play. Normally, this is for about 10 to 12 minutes. Arrangements can be made for practice on the instrument.

SVTOS would like to acknowledge our dedicated performers who have helped carry the load for the SCPAC Classic Film Series. Kudos to Don Kinnier for his 12 performances for the "Day at the Strand" program for elementary school students from York. Also to Glenn Hough, Roy Wainwright, and Mike Cosey for performing prior to the Sunday afternoon and evening movies. Without these volunteers, and others, our organ would not be available to the club for meetings. It is imperative that we continue to offer our assistance to SCPAC prior to the film series. We get some excellent exposure for the organ and our organists. **Please let us know if you can help out, even if only for one showing (afternoon or evening).**

### From Sam's Desk

Some of you may not have heard of the passing of long time member and staunch supporter of SVTOS, Bobby Raye Lilarose. I know most of you knew him. He was performing in Ocean City, MD. on the night of May 12<sup>th</sup> when he collapsed just after completing his performance. Bobby was always an enthusiastic member of our programming group. Always a lot of good ideas and a positive attitude. He always encouraged everyone with any level of musical talent to keep at it. I never heard him say a bad word about any performer. He just loved music and enjoyed sharing his musical knowledge and experiences with others. Most of us probably never knew about his other musical love...the accordion, which he began playing professionally at age 15, in Waynesboro, PA. He played thousands of shows for all kinds of audiences, including over 600 cruises for the Royal Caribbean Cruise Line for over 15 years. He will be greatly missed by SVTOS and the musical world.

A motion was passed at our June 9<sup>th</sup> meeting to send \$100.00 in Bobby Raye's name to one of his favorite charities, the Reading Music Foundation.

Our club is considering ideas for a tribute to Bobby Raye in the upcoming season. Some current suggestions are:

- A Tribute during one of our meetings to Bobby's latest craze for Fats Waller organ performances. These could be done by our members with the arrangements supplied by Don Kinnier.
- A plaque on our organ, which originally was a 2/4 Moller with toy counter. Bobby purchased the organ from a New Jersey theatre and proceeded to upgrade it to a 3/7. He sold it to our member Mike Clemens, who further upgraded it to a 3/17 (mostly Wurlitzer), and donated it to the SCPAC. It was refurbished, (by the R. J. Brunner Organ Company, under the discerning eye and direction of Terry Nace) into the magnificent 3/20 instrument we have today.
- Dedicate this season to Bobby Raye through extensions of his arrangement workshops, by Don Kinnier. We could also use excerpts from Bobby Raye's CD's and DVD's, courtesy of Roy Wainwright.

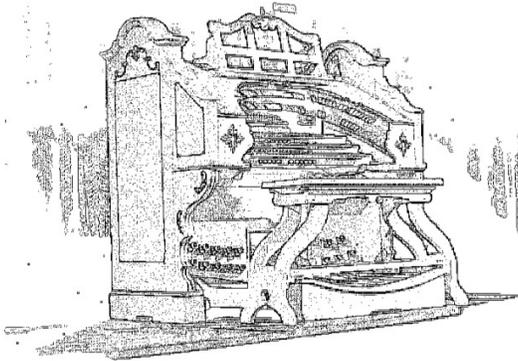

If anyone has additional ideas we might use, please let us know.

On a happier note, the June 9<sup>th</sup> meeting brought to the console Roy Wainwright to accompany the 12 minute silent film "Those Bitter Sweets". This was Roy's first attempt, and what a fabulous job he did. I honestly lost track of Roy's musical score at several points in the film, as it blended with the action seamlessly. This, for a first attempt, was an incredible performance that involved much research, work, and dedication to the job of scoring and playing for 12 minutes. Just a superb effort!!! This came about as a result of the April 14<sup>th</sup> meeting, which featured Don Kinnier's "Silent Film Accompaniment" workshop". Thanks Don!
