From a Dusty Corner

As we welcome a new year it's a good time to take a look at our goals for the year and see how we are doing. A few months ago your leadership team adopted eight goals for the 2010-2011 season. Here are the first four. Behind each one is my assessment of progress toward each one.

Complete the planning and launch the fund raising and advertising for an open-to-the-public event. *With tremendous thanks to Larry Fenner and Barry Howard, the planning stage is complete and we are ready to launch the fund raising effort. The advertising and promotion will follow late this spring and over the summer.*

Play for movies as requested. *This is a key part of our relationship with the theatre and we are doing a great job! Our best folks are playing before the movie on the first Sunday of every month. Thanks everyone!!*

Increase membership by 10%. *Membership renewal notices went out in the fall and we are following up any that did not respond. But this goal is not just for the leadership!! We need each of you to invite friends and associates to our meetings and promote membership!!*

Create and perform at least six shows for the Masonic Village. *Not only did we do six great shows last year, they want six more this year!! Thanks to Sam Groh and all who participated. (See the photo from the Christmas show elsewhere in this newsletter – Ed.)*

Your comments and suggestions are welcome. We want to know how we can make SVTOS a more vital and vibrant organization.

IT'S HERE! — "OUR OWN" SVTOS CD!

The CD is called "**A Capitol Idea**" and features Ken Double at our mighty Wurlitzer, and the Bob Clay Orchestra.

Originally recorded in Sep of 1996, with substitute recordings from 2009. The band featured Skip Stine on first trumpet doing the Harry James renditions of some of his most famous tunes.

There are twenty tunes with 1/3 being organ, 1/3 being big band, and 1/3 featuring the organ and band combined.

Retail price for the disk is \$20. But **members of SVTOS can buy it for \$15.**

When you get it, crank it up and enjoy!!
