SVTOS Needs You!!!

As noted elsewhere in this issue (below), new officers will be elected at our May meeting. According to our By-Laws, none of the current officers are eligible for re-election. But an organization cannot survive without people willing to step up to a position of leadership. Here is your opportunity to "give back" to SVTOS. Call Don Kinnier today and tell him you would be willing to be nominated and to serve if elected.

We also need someone (or a duo) to head up an open-to-the-public show in October. As Don Schoeps pointed out at our last leadership meeting, with two shows under our belt, it will be much easier the third time. The theatre is holding a date—October 14. We had considerable interest in a silent movie show and Don Kinnier has agreed to play. But it won't happen without a leader. If you have any thoughts about taking this on, call me, 717-795-2775, and let's talk.

And we need each and every one of you to help promote the April 15 show featuring Jonathan Ortloff. You are our best form of advertising!! Talk it up. Your love of the theatre organ and your enthusiasm are worth much more than all the ads we could buy. Call Don Schoeps for flyers. Put them around where you work or shop. Buy tickets!!! In fact, buy lots of tickets and give them away or sell them. Let's make this show another huge success.

There are those who say that the theatre organ went the way of the buggy whip and the rotary dial phone—obsolete and of no value. SVTOS can help preserve and present this wonderful and unique American musical art form. But only if people are willing to commit a little time—people like you!!
-Dusty

Upcoming Elections

It's that time of the year again to elect officers. Nominations will open at our April meeting and we'll be voting on a slate at our Annual Meeting in May.

We have even had one change already—Emmitte asked to "retire" as Treasurer even before the end of his term. Roy Wainwright has graciously offered to fill his unexpired term.

All of the current officers, then, will be up for election because all the others have reached the end of their term limit (2 terms of 2 years each). Don Kinnier has agreed to be a nominating committee, but if you would like to nominate yourself or someone else, please call or email Don—717-627-5055 or KTShows@PTD.net.

Amendment to the By-Laws May, 2012

It appears that having two classifications of membership, Associate and Regular, is no longer necessary or appropriate. The number of Associate Members has dropped from over 20 to 5. In discussing this situation, the leadership team suggested that we simply take the Associate Member classification off our Membership Application but continue to offer that classification to current Associate Members. That way we honor our commitment to them while eliminating the classification in the future.

To do this requires an amendment to the By-Laws. The following is proposed to be included in Article III (Membership) Section 2 (Classes and Benefits of Membership) of our By-Laws after the third paragraph regarding Associate Membership.

Associate membership shall be limited to current Associate members who continue to renew their Associate membership on a yearly basis after May 2012. The Associate membership classification will no longer be available to new members after May 2012 or to current Associate members who fail to renew their Associate membership for a period of one year or more after May 2012.

Here's a photo of the Lowrey at Bob Carbaugh's place. It is in pretty good shape. Plays well and sounds OK. It could use a little "Old English Furniture Polish" other than that the case is in pretty good shape.

To make your tax-deductible contribution to this fund, make your check payable to SVTOS, note "Scholarship Fund" in the memo line and send it (or give it) to our Treasurer, Emmitte Miller, 4017 Woodspring Lane, York, PA 17402-7527. If you would like more information about this scholarship fund and/or possible candidates, please call Dusty, 717-795-2775, or email Pres@SVTOS.org. **These contributions are now tax-deductible!**

You can also contribute via PayPal on our web site www.svtos.org

Perhaps you can assist me in locating someone that likes to build or repair pipe organs.

I have a home made player pipe organ that needs a good home. I would be pleased to donate it and a spare rank of metal pipes and parts to anyone with an interest. The organ has a 44 note keyboard and a bell set. I also have a large assortment of piano rolls.

Thank you for your kind attention to this matter,

Bob Lichliter (lich@verizon.net) 717-730-9329

Arrangers' Challenge

This year the Arrangers Challenge is one of the simplest and loveliest pieces of music ever composed. It is a Lullaby by the American composer Edward McDowell. The tune is *To A Wild Rose* from McDowell's *Woodland Sketches*. This should be a great piece for interpretation on theater organ. (This is a fine target for some serious reharmonization).

If you want to hear the piece there are literally hundreds of versions on both iTunes and YouTube (Some very fine and some absolutely abysmal.)

We'll perform our various arrangements at the May Meeting. Have fun! DK

Concert to Celebrate Virgil Fox's Birth

Organists John Walker and Donald Sutherland, together with several of their graduate students at the Peabody Conservatory, will present a special concert celebrating the 100th birthday of world renowned organist Virgil Fox. The Virgil Fox Centennial Concert will be held on **Sunday, April 29 at 4 p.m. at Brown Memorial Presbyterian Church, 1316 Park Avenue, in the Bolton Hill neighborhood of Baltimore.** Admission is free.

This concert brings together many "strands." Fox was organist and choir director at Brown Memorial from 1935-1946 and simultaneously the chair of the organ performance department at Peabody. He subsequently became organist at New York City's Riverside Church. Sutherland is the current chair of the Organ department at Peabody, and John Walker was organist at Riverside Church for many years before coming to Brown Memorial.

The program consists of works that Virgil Fox performed during his years as a faculty artist at Peabody and organist at Brown Memorial. They will be played on the church's 1930 Skinner organ, Opus 839, IV/45, the very instrument on which Fox did his famous arrangement of J.S. Bach's "Come, Sweetest Death." During this Centennial concert, John Walker will play the Bach/Fox piece.

John Walker's rendition of the Bach/Fox "Come, Sweetest Death" was also part of the acclaimed "Celebrate the Skinner" Tiffany Series organ concert a year ago at Brown Memorial. The large audience—many of whom were organists—was transfixed during this remarkable performance. A CD of that concert has been produced and will be available for purchase at the Virgil Fox Centennial Concert. Organists Marvin Mills, Michael Britt and Janet Yieh also performed in the "Skinner" concert.

Walker is vice-president of the American Guild of Organists.

I have an Allen T-15a that needs to find a home. Everything in the instrument is in perfect operating condition, and it is a great practice instrument. All of the electronics and required work has already been done to make it a good, usable instrument. It has 3 presets, and though a straight stoprail, has pleasant amount of tremulant for a theatre organ buff. Please see the attached photo, as it says more about the organ than I can. The instrument is located at Lancaster Mennonite High School, 2176 Lincoln Highway East, Lancaster, PA 17602. Any questions regarding the instrument can be directed by phone to Connor Ream, 717-917-9320, or email at: connormream@yahoo.com . Instrument is FREE to a good home. You must arrange for your own transportation- I can help load.

Connor Ream will be demonstrating the Capitol Theatre Organ
