Happy New Year to all!

Here is hoping that everyone has survived all the food and drink events, whether alone or with many friends. As usual, Ed Horvath and I are starting to pack for the winter trek to Florida.

As with past winters, our January and February meeting schedule is to have Open Console events. Those members planning to participate in the March Members' Showcase meeting on March 10th can get in some practice to prepare for the event. Details for the Open Console events are shown on Page 1 of this newsletter, and please remember to reserve your playing time in advance with the coordinator for each date.

Looking forward to a few weeks of warmer weather (we still get near freezing in Daytona Beach) however, the road issues are not a big issue.

Wishing everyone a prosperous New Year.
